

Greetings from Western Illinois University!

We are excited to announce to you information about an exciting summer program. The "Entrepreneurship and Innovation: The Future of Economic Development" is a comprehensive international experience. The program will provide an intensive English as a second language course through out WESL Institute; a challenging academic course focusing in the area of entrepreneurship and economic development; and a variety of cultural experiences.

We invite you to review detailed information about this great opportunity. Please use the links below to access information in a Word document and also a Power Point presentation. You may download these documents and share the information with your students and other colleagues.
